**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I need strong broadband when I work from home. The current duopoly of AT&T and Comcast is fleecing the average consumer. If this goes through I will never be able to afford fiber and the speeds that come with it to do my work productively. Competition is good and sometimes it needs some help from common sense regulations.

Thank you,

Ken Lindsay
